

## MYSTERY OF A GIFT 2!

And they brought him hastily  
out of the dungeon! Why?

The king was troubled!

When will we ever get  
it? That our gifts are  
set-ups by God to give  
us what we couldn't  
have had without 'em!  
So, let's wake up!

### WAKE UP TO YOUR REALITY!

The reality of God's intervention is always mind blowing! Joseph had no qualification! Yet, Pharaoh made him the head over the politics of Egypt. He belonged to no party. Had never campaigned once for any political position. He was just a political prisoner. Locked up by the 'powers that be' for being dangerously innocent!

He got the most prestigious position (next to the king) in Egypt! Only gifts do incredible things like that! What's your gift? What is it? Can you picture Pharaoh's officers protesting his decision to make Joseph the prime minister without an academic degree! Did that hold? No way!

Your gift will also defy all odds!
