

MYSTERY OF A GIFT!

On that night could
not the king sleep! Why?

There was a gift
making a demand for
attention!

The king was wise
enough to ask for the
book of records. In it
was found the after
effect of the gift!

THE KING TOOK ACTION!

And so shall action be taken in your case, and on
your behalf because (for that purpose) your gift
went ahead of you to announce you. Est.6.3

Now the king was asking - What honor and dignity
has been done to this Mordecai, whose gift saved my
life? Saul asked the same thing of David after his gift
dropped Goliath - Whose son is this youth? 1Sam.17.55

Stop playing around with your gift! It's all you have to
get you to your wealthy place. The Bible said it will
make room for you! pro.18.16. Bring you before great
men! Chosen by God to help you are men out there
who are daily looking out for your gift!

Take absolute pride in your gift
and step out right now! Go!
